**NOTE**

This letter is only valid as at the date it is given and only for the model & versions listed on it and is based on the sample(s) supplied. NDS accepts no liability or responsibility for functionality that has not been tested or the manufacturer's quality control procedures or other changes which may affect functionality.

4 August 2008

Dear Iris

We tested the Hamburg, smart card connector Models:

ICA-609  
ICA-669  
ICA-679  
ICA- 663  
CNT-107

The connectors passed all the physical tests.

Based on the test results, NDS will accept the use of these models in STBs implementing authorized NDS-based technology.

This letter is valid for 12 month

Ofer Shalev  
NDS,  
Manager of STB and  
Card Interface Technology
